# Nelnet Business Solutions Expert Panel Discussion

Tuesday, March 8, 2016 | 10:15 - 11:15 a.m. | Session #35310

Join University at Buffalo, University of Colorado System, University of Massachusetts Amherst, and University of Virginia in an expert panel discussion around the current and future state of payment processing on campus. We will discuss service to constituents, use of technology, efficiencies gained as they relate to affordability and access, and what the future holds for higher education in general and the business office specifically.

**Discover new actionable items to improve processes and service at our panel discussion!**

\*NO PURCHASE NECESSARY. Void where prohibited. Enter the Sweepstakes by submitting a business card at the Nelnet Business Solutions 2016 Alliance Conference booth between 8:00 a.m. Pacific Time Sunday, March 6, 2016, through 4:30 p.m. Pacific Time Wednesday, March 9, 2016 (the "Promotion Period"). Your business card must contain your name, the name of your employer, your business title, complete mailing address, valid business email address, and business telephone number. You must be at least 21 years of age and a resident of the 50 United States or the District of Columbia at the time of entry. YOU MUST NOT BE PROHIBITED BY YOUR EMPLOYER'S RULES, CODE OF ETHICS OR CODE OF CONDUCT OR BY FEDERAL OR STATE LAW FROM ENTERING THIS SWEEPSTAKES OR FROM WINNING THE PRIZE. You may enter only once. One (1) grand prize winner will be randomly drawn on or about April 4, 2016, and notified by phone or e-mail. You need not be present to win. The grand prize winner will receive one Apple Watch Sport™ wrist wearable device (38mm silver aluminum case with white sport band). Total prize value: \$267.05. Odds of winning depend on the number of entries received. Official rules available at the Nelnet Business Solutions 2016 Alliance Conference booth. Apple Watch Sport™ is a trademark of Apple, Inc. Struggling with forms tools that can only automate some of your requirements? Join us to see how organizations are using the NEW GT eForms™ 3.0 bolt-on to create flexible, efficient, PeopleSoft-based forms for HCM, Campus Solutions and Financials. With a powerful, configuration-based form builder, you'll see how business analysts can create robust, logic-driven forms with auto-population, restricted valid values, conditional routing, email notifications and much more for students, faculty and staff. You've never seen a form tool like this before!

**GT eForms 3.0** Powerful, Fast, Flexible... *and 100% PeopleSoft!*
